Industrial Timber to create 42 jobs

Industrial Timber has recently completed the move of manufacturing operations and their NC Headquarters to Alexander County and are occupying a 25,000 square foot facility on 11 acres of property located on White Plains Road.

The company produces frames for the furniture industry and is currently making frames for the Broyhill Plant 5 located on Hwy. 90 East in Alexander County as well as other furniture companies. Company officials expect to provide 42 jobs for Alexander County citizens.
